The Employer understands and acknowledges that the Trustees of those Funds have the right to make reasonable rules relating to the payment of fringe benefit contributions and pertaining to their rights and remedies as against employers who are delinquent in making payment of such contributions to the Funds. The Employer agrees to be bound by such rules as currently exist or may from time to time be established or amended. Copies of such Trust Agreements and rules can be obtained by the Employer by request from the applicable Fund Administrator or Trustee of the Fund.

Payment of Annuity, Pension, and/or Health and Welfare contributions for an employee's work in each locality shall be made to such funds and in such amounts as are identified in the applicable wage addendum for that locality where the work is performed, provided that the designated fund is signatory to a UBCJA National Reciprocal Agreement. Provided further, that the Company may, at its discretion, submit the contributions to the employee's home-area Local Union or Regional/District Council funds even if the work-area Local Union or Regional/District Council funds and the employee's home-area Local Union or Regional/District Council funds are signatory to a UBCJA National Reciprocal Agreement. If the Company chooses this option, it shall provide sufficient proof to the work-area Local Union or Regional/District Council funds that the appropriate contribution amount has been paid to the employee's home-area Local Union or Regional/District Council funds. This option shall not be available if the employee's home-area Local Union or Regional/District Council funds refuse to accept such payment. Furthermore, it is expressly understood that the Employer will only be required to submit contributions to the above referenced funds in the amounts listed in the collective bargaining agreements and/or wage addendums where the work is actually performed. This provision is strictly limited to the Company's payment of Annuity, Pension and/or Health and Welfare contributions required under the applicable work-area collective bargaining agreement to the work-area Local Union or Regional/District Council. All other contributions and check-offs shall be paid to the respective funds where the work is being performed as per the applicable addendum.

SUPERVISORS. The bargaining unit shall also include, for purposes of Pension and Welfare Fund contributions only, such persons in the employ of the Employer referred to herein as "supervisors", as that term is defined in the Labor-Management Relations Act of 1947, as amended, provided that such supervisors:

It is expressly understood that the purpose of this provision is limited solely to permitting persons who have participated in the aforesaid Pension and Welfare Funds as members of the bargaining unit to

continue to do so upon their promotion to management positions, and is in no respects intended to include such persons within the scope of the bargaining unit for purposes of union membership, collective bargaining, or any other provisions of this Agreement other than provisions governing the payment of pension and welfare contributions.

It is further understood and agreed that since such supervisors are not subject to the wage provisions of this Agreement, and may be paid on a salaried basis, contributions on behalf of such persons to the Pension and Welfare funds shall be on the basis of one hundred sixty (160) hours for each and every month during which such supervisor receives any wages from the Employer.

It is expressly understood that in the event the Employer is an unincorporated partnership or sole proprietorship, any persons who is a partner or sole proprietor of the Employer is ineligible to receive benefits from the Pension and Welfare Funds, and no contributions are payable to those Funds on behalf of such persons. If, on the other hand, the Employer is a corporation, persons who happen to own all or a portion of the stock of said corporation are "employees" of the Employer and will be considered as included within the bargaining unit for purposes of wages and fringe benefit contributions to the extent that they would qualify as such if they were not shareholders.

The parties recognize that individuals employed by corporations which are employers under this Agreement may perform some work which is covered under this Agreement and other work which is not. Some of these employees receive compensation in such a manner that it is difficult or impossible to determine for purposes of fringe benefit contributions the precise number of hours for which contributions are payable on their behalf to the Funds, and this uncertainty has created a need for uniform and consistent rules which would be fair to all concerned. It is therefore agreed that when an employee who is employed by a corporation performs both work covered under the terms of this Agreement and work which is not covered under the Agreement, and if such person is paid on any basis other than at the hourly wage rate specified in this Agreement for all hours worked by such employee in any capacity whatsoever, and provided further that such employee is:

- (a) shareholder, officer, and/or director of the corporation, or
- (b) a relative (father, mother, son, daughter, brother, sister) of a shareholder, officer, and/or director of the corporation.

The Employer shall be required to make contributions on behalf of such employee on the basis of one hundred sixty (160) hours for each month in which such employee received any compensation from the corporation at the hourly contribution rates established elsewhere in this Agreement.

Within ten (10) days of a request by the Union for a particular project the Employer shall obtain and furnish to the Union evidence of a surety bond in an amount as determined by the Union not to exceed one hundred thousand dollars (\$100,000) guaranteeing payment of all fringe contributions as set forth in the wage and fringe Addendums attached to this Agreement. The Employer shall not cancel or terminate such bond without first providing thirty (30) days notice to the Union. Provided, however, that Employers who have worked not less than three (3) years in the State of Illinois and have made fringe benefit payments in accordance with the terms of this contract for the preceding two years shall be exempted from said bonding obligation.

In the event the Union and/or Trustees are required to file suit by reason of an Employer's failure to: (a) maintain his monthly Welfare, Pension, and Annuity contributions pursuant to the attached Addendums,

and a judgment is rendered in favor of the Union and/or Trustees, as part of said judgment, a reasonable amount of the attorney's fees and court cost shall be awarded them by the court. After the Union and/or Trustees are awarded said judgment, the Union shall have the right, at its option, to require said Employer to furnish a suitable bond with a reputable Surety Company guaranteeing his performance, as set forth in this section prior to any resumption of the instant agreement with said employer.

It is agreed that on each anniversary day of any wage addendum to this Agreement the Union will have the option of distributing any part of the negotiated increase into an existing Health and Welfare and/or Pension Plan and/or Annuity or base wage rate, upon sixty (60) days from notice to the Associated General Contractors of Illinois.

- C. In addition to any contributions otherwise called for herein, the parties agree that the Employer shall make a contribution as per the area wage schedule or area addendum for each employee covered by this Agreement to the United Brotherhood of Carpenters and Joiners of America National Apprenticeship & Training Fund (the "Training Fund"). The parties also agree that the Employer shall make a contribution as per the area wage schedule or area addendum for each employee covered by this Agreement to the United Brotherhood of Carpenters and Joiners of America National Health & Safety Fund (the "Health Fund") and the United Brotherhood of Carpenters and Joiners of American Labor Management Fund. Payment shall be made to the Training Fund, Health Fund, Labor Management Fund, or to such collection agent as is designated by the Training Fund, Health Fund or Labor Management Fund on or before the 15th day of the month following the month of the work performed. The Employer hereby agrees to be bound by the Agreements and Declarations of Trust for the Training Fund, Health Fund and Labor Management Fund as they exist and as they may be amended or restated, and to such rules, regulations and other governing documents adopted pursuant to such Trusts. Upon request, the Employer may receive the latest annual report prepared for any or all of the above referenced Funds.
- D. Notwithstanding any other provision of this Article, the parties agree that during the term of this Agreement, with sixty (60) days prior written notice to the Associated General Contractors of Illinois, the Union may redirect their contributions to another Health and Welfare, Pension or Annuity plan. Provided further, that any increase or decrease in the contribution rate shall not take effect until the next wage anniversary date at which time a new Wage Addendum shall list the changes, if any, in contributions. Because of the restrictions in the Illinois Prevailing Wage Act, it is also agreed that the basic wage rate will not be reduced to accommodate any changes in the fringe benefit contributions.

ARTICLE 11 PREMIUM WORK

The erection and dismantling of all towers and scaffolds when same is over forty (40) feet in height from the base or other hazardous work where a free fall of forty (40) feet or more is possible shall be paid for at the rate of seventy-five (\$.75) cents per hour above the minimum wage rate.

Where creosoted piling, lumber or material is used the wage scale shall be one dollar (\$1.00) per hour above the minimum scale of wages as set forth in this contract. This does not include oiled forms.

Where any other irritant treated piling, lumber or material is used which is harmful to either body or clothing, the wage scale shall be seventy-five cents (\$.75) per hour above the minimum scale of wages as set forth in this contract. This does not include oiled forms.

If an employee is assigned to the handling of creosoted, or other irritant treated material for one (1) hour or more during any one half shift, he shall receive not less than four (4) hours pay at the premium rate. This provision shall apply to shift work as well as to the regular eight (8) hour day.

When employees are required to work fifteen (15) feet or more below the ground level in sheathed holes or water level in cofferdams, they shall be paid at the rate of seventy-five cents (\$.75) per hour above the minimum hourly rate of wages for the various classifications.

ARTICLE 12 PAYMENT OF WAGES

The parties agree that during the term of this Agreement, including any renewal period, or during any pending arbitration proceedings or during any negotiations between the parties hereto as to desired changes in this contract as herein provided, there shall be no strikes, lockouts, boycotts, picketing, stoppage of work or slow down of work.

With the exception of jurisdictional disputes, all differences of any kind (hereinafter referred to as grievances) between the Employer and the Union which arise under this Agreement shall be resolved in the following manner:

Step 1: Should any employee covered by this contract believe that he has been unjustly dealt with or that any provision of this contract has been or is being violated, said employee or his representative shall attempt to resolve the matter orally with the job superintendent or other authorized representative of the Employer on the job site. If the grievance is not satisfactorily resolved, the grievance shall be handled as provided below.

Step 2: The grievance shall be reduced to writing and transmitted to the Employer. The Employer must receive the written grievance within five (5) working days of the date when the employee knew or should have known of the incident giving rise to the grievance. Failure to meet this time limit shall automatically resolve the grievance in the Employer's favor.

Step 3: If the grievance referred to in Step 1 has not been satisfactorily resolved within five (5) working days after the Employer has received the written grievance, the Employer or the Union may request in writing to the other party within five (5) working days that a Joint Grievance Committee be convened for the purpose of hearing and resolving the grievance. The written correspondence at this step must state the question or issue involved. The Committee shall meet as expeditiously as possible after notification and the Committee shall be composed of an equal number of representatives appointed by the Executive Officer of the Regional/District Council of Carpenters involved and the Associated General Contractors of Illinois, but in no event shall the Committee be composed of less than two representatives from each party.

The party requesting arbitration shall strike first. The list must contain an odd number of arbitrators. The remaining name shall be selected as the impartial arbitrator. The arbitration shall be held as expeditiously as possible and the decision of the arbitrator shall be final and binding on both parties.

If the grievance is brought by a Local or by an Employer covered by this Agreement, the grievance shall be handled in the following manner.

Step 1: The aggrieved party shall reduce the grievance to writing and present it to an authorized representative of the other party within ten (10) working days of the date the aggrieved party knew or should have known of the incident giving rise to the grievance. Failure to observe this time limit shall automatically resolve the grievance in favor of the other party. If the Employer or his authorized representative and the business representative of the Union can not satisfactorily resolve the grievance within ten (10) working days of its presentation, either the Employer or the Local Union may request in writing within ten (10) working days that a Joint Grievance Committee be convened for the purpose of hearing and resolving the grievance. The written correspondence at this step must state the question or issue involved. The Committee shall meet as expeditiously as possible after notification and the Committee shall be composed of an equal number of representatives appointed by the Executive Officer of the Regional/District Council of Carpenters involved and the AGC of Illinois but in no event shall the Committee be composed of less than two (2) representatives from each party. The Committee's decision shall be final and binding on the parties. However, if the Committee deadlocks the matter, either the Regional/District Council of Carpenters involved or the Associated General Contractors of Illinois may request arbitration.

Step 2: In the event the Committee deadlocks and arbitration is requested, the matter shall be submitted to an impartial arbitrator for decision. The impartial arbitrator shall be selected as follows: one (1) person appointed

by the Executive Officer of the Regional/District Council of Carpenters involved and one (1) person selected by the AGC of Illinois shall be responsible for selecting the arbitrator. The party requesting arbitration shall request a list of arbitrators from the Federal Mediation and Conciliation Service, and the representative of the Union and the representative of the AGC of Illinois shall alternately strike the names provided by the FMCS until there is one remaining. The party requesting arbitration shall strike first. The list must contain an odd number of arbitrators. The remaining name shall be selected as the impartial arbitrator. The arbitration shall be held as expeditiously as possible and the decision of the arbitrator shall be final and binding on both parties.

ARTICLE 16 DRUG AND ALCOHOL POLICY

Section 1. Possession, sale or use of alcohol or non-prescription drugs on the Employer's property, site of construction or during the working hours regardless of the location shall be grounds for termination. Any Employee who reports to work under the influence of alcohol or non-prescription drugs shall be subject to termination. "Non-prescription drugs" shall be defined as drugs which cannot be legally dispensed without a prescription and are not covered by a current valid prescription endorsed by a qualified physician for use by named Employee in question. Employees working under this Agreement shall be subject to all necessary diagnostic medical testing for purpose of verifying compliance with this provision, when required by the Employer at the expense of the Employer.

Section 6. Testing and test results. The collection of urine specimens, the chain-of- custody of the specimen and the laboratory testing shall be in accordance with the guidelines established by SAMHSA.

Random Tests

All employees covered by the random drug test policy will be included as part of the group from which the Medical Review Officer (MRO) will randomly select employees by using a computer generated selection of social security numbers for testing per the requirements of the Employer's Policy.

On a periodic basis the MRO will select randomly a number for random testing during that month.

Names selected will be forwarded to each Employer who will notify their employees selected to be tested. The Employer will be given a date before which the individual must be tested. The persons to be tested shall not be informed before the actual test is to be performed.

Failure of the Employer to accomplish the above requirements in the time allotted will cause them to be out of compliance with the random testing requirements.

All tests shall be conducted using only urine specimens in accordance with current SAMHSA guidelines. Sufficient amounts (a minimum of 60 cc) of the sample shall be taken to allow for an initial test and confirmatory tests. All specimens shall be collected and handled according to strict chain-of-custody procedures as established by SAMHSA. The sample collection will not be observed directly. The testing procedure is designed to respect employee's rights to privacy.

The initial test will be Enzyme Multiplied Immunoassay Technique (EMIT). The confirmatory test will be by Gas Chromatography - Mass Spectrometry (GC/MS). Any other confirmatory tests and/or testing shall be at employee's time and expense. Confirmed positive samples will be retained by the testing laboratory in secured long term frozen storage for a minimum of one year. Handling and transportation of each sample must be documented through strict chain-of-custody procedures; specimen containers shall be labeled with a number, and the donor's signature, and shall be closed with a tamperproof seal initialed by the donor and collecting agent. The labeling shall be done in the employee's presence. Every effort shall be made to assure the validity and accuracy of all tests.

MRO Interview. When an employee receives a confirmed positive test, the Medical Review Officer (MRO) will interview the employee via telephone and give the employee an opportunity to explain any positive test results such as those that could be caused by prescription medication endorsed by a physician. After the interview, if the MRO confirms that the test results are positive, the Employer will be notified of the results. Results of the test will be held in the strictest confidence and only people with an absolute "need to know" can request such results unless released to do so by the employee.

It is the intent of this program to comply with all laws and regulations promoting non-discrimination in employment.

Except as set forth herein, no employee shall be required to sign any waiver of his rights.
